shrimp

For new members and parents

New here? Get the shrimp app.

Book classes, log your training and watch your belt progress, all on your phone. Four steps and you're on the mats.

1

Get the app.

Scan the code here, or go to **shrimp-app.com/app**. iPhone goes to the App Store, Android to Google Play.

2

Create your account.

Your email and a password of 8 or more characters, then tap the link in the email we send you.

3

Set up your profile.

shrimp asks one question at a time: your name, date of birth, gender, belt and stripes. Photo optional.

4

Join your gym.

Tap **Join your gym**, find it by name and pick your plan. Parents: add your children first, then join for them.
